Auchterarder Community Bus Group

## Introduction

Auchterarder Community Bus Group (ACBuG) is very pleased to commence operation of the new Auchterarder Town Bus Service, which includes Services **49** and **49A**. It will be provided on our behalf by Docherty's Midland Coaches.

Service **49** operates five days a week (**not** Wednesday or Sunday) and links the three main housing areas to the south of the High Street/Townhead, Castlemains and Kirkton, to the Town Centre and St Margaret's Health Centre/Hospital.

Service **49A** operates on Wednesday only, and links Grand Eagles, Glenorchil, Grampian Avenue, Muirton and Strathearn House to the Town Centre and St Margaret's Health Centre/Hospital.

Both Services **49** and **49A** will operate hourly during the day – for full timetable details and a route map see overleaf.

## Vehicle

A low floor, easy access bus will be used on both routes; ideal for a wheelchair, buggy or when laden down with shopping bags. Drivers will be particularly sensitive to the needs of passengers with reduced mobility.

## Hail and Ride

The bus will serve all marked bus stops on the two services, such as on the High Street.

In addition, in the residential areas and on roads with limited or no bus stops, the bus will operate on a 'hail and ride' basis (where safe to do so). Bus users should clearly signal to the driver that they want the bus to stop.

## Fares

A low flat fare of just £1.20 single applies to all journeys on the Auchterarder Town Bus Service - with the ticket valid for 75 minutes.

In addition return fares, dayrider tickets and child fares are available:

Adult Day Return	£2.20
Adult Dayrider	£2.50 (unlimited journeys)

Holders of a National Entitlement Card will travel free of charge.

## Onward Travel

Passengers who wish to travel further afield should ask the driver about through fares to/from Perth and Stirling.
