## ABC Tickets

ABC is an easy-to-use bus ticket that is held on a smartcard. ABC day and week tickets offer unlimited travel on All Bus Company services in 3 ticket zones, Dundee, East Fife and Dundee + East Fife combined.

ABC is a partnership between bus operators (Xplore Dundee, Stagecoach East Scotland and Moffat & Williamson) Dundee City Council and Fife Council.

Unlike some bus day tickets that limit you to travelling with a single bus company, the ABC ticket allows you to travel with all bus companies – giving you the confidence to hop on and hop off any bus, as often as you like.

	<b>1 Day Adult</b>	<b>1 Day Child</b>	<b>1 Week Adult</b>	<b>1 Week Child</b>
Dundee Zone	£4.30	£3.00	£14.90	£9.70
East Fife zone	£9.00	£5.50	£32.00	£23.00
Dundee + East Fife zone	£12.70	£8.00	£44.60	£31.00

Child tickets are valid for customers aged 5-15 years old.

Children under 5 travel for free on all bus services.

You can buy and load an ABC product on to your smartcard from any bus driver when you start your first journey of the day or week. You can also buy ABC products from the Seagate bus station, Xplore Dundee travel shop on Commercial Street or from St Andrews bus station.

Unfortunately, if you lose your smartcard, you will lose any remaining value that was stored on it.

If you don't have a smartcard or NEC, you can buy one of these from drivers of Stagecoach and Moffat & Williamson buses for £1.00. Xplore Dundee sell their branded smartcards at their travel shop on Commercial Street.
