Welcome to your new GrassHOPPER smartcard! When travelling on any participating bus service simply place your card onto the ticket machine and state your destination. This must be within the zones covered by the ticket you have purchased.

Your card is reusable so once your ticket expires you can load on a new ticket next time you travel by bus, simply ask the driver. Every time you buy a Smart GrassHOPPER Day or Weekly pass you will be issued with a receipt as proof of purchase. We recommend you carry it with you each time you travel.

If you don't have a card already just ask for a Smart GrassHOPPER ticket and the driver will give you a card.

## Choose your ticket

Smart GrassHOPPER tickets are available for six zones covering Aberdeen and Aberdeenshire. They allow you to travel on any local bus within the relevant zones. If you want to travel on any bus in Aberdeen then choose a Zone 1 ticket. For travel between Aberdeenshire and Aberdeen check the map to see which Zone ticket suits you. If you want to travel across the whole of the north-east choose a Zone 1-6 ticket.
