PASSENGER INFORMATION

This leaflet shows details of the arrangements for National Express Dundee Services 30, 31 & 51 whilst the Liff to Fowlis road is closed for essential carriageway repairs from Monday 28 February until Friday 4 March 2011.

During this period, the timetable shown opposite will operate and passengers should note the following:

- For the duration of the works, services will start from, and terminate at Ninewells Hospital; the Technology Park and Medipark will not be served. Passengers will however be able to transfer onto alternative services which also call at these locations;
- Many journeys will run later or earlier than normal in order to have sufficient time to follow the diversion route;
- Liff village will, in most cases only be served once and it is therefore essential that passengers refer to the temporary timetable prior to travelling.

Temporary routes

During the roadworks, the routes taken by Services 30, 31 and 51 will be as follows:
